Present: Chris Mason, Pam Hanold, Sally Pick, Tim VanEgmond, Richard Adams.
guest: Josh Epstein

Approval of 11/12/13 and 1/14/14 minutes moved by Richard, Tim second, all vote in favor

Josh Epstein introductions.

Updates from Walter via Sally

- DLTA grant, Walter submitted solar community idea -- see last minutes

Green com grant ideas

- Shea theater
 - Contact Bart: need to wrap up study, cm
 - Contact Jim Barry, cm
 - Update Walter on our plans. Will need town funds for non-EE measures. Need his time to add it to benchmark, Pam

Side topic: discussion on how town uses it's buildings

Carnegie

- weatherstripping on door didn't work, needs replacement
- Electric space heaters in basement, leaky basement window
- Electric heat in bathroom
- Leaky windows

MCL

- moretight window caulk needs replacement

Millers falls library

- old boiler

Note: Walter, Frank, Tom Bergeron at meeting

Saturday, January 18, 2014

Peregrine energy tracking program

Winserts

Tim has received measurements and pricing. Sally needs to recheck measurements and will then follow up with Marin at CET.

MCL weatherization via CoopPower: Tim called, there has been change in staff. New person will contact Tim. Tim will let Linda know ASAP.

Chris (or Sally) will stop be to see what kind of more-tight work needs to be done.

Furnace - Pam will call Jason

Green Energy Star Decals

Article in MR. Need to set time to discuss outreach efforts.

Sheffield boiler

Pam to follow up with Frank. Chris to check in with Ed.

Strategic Energy Plan

Chris and Sally gave report. Specifics on EE for landlords and home MPG
