Agenda

Designate facilitator and scribe

Approve minutes from 8/15/17 meeting (vote)

- Chart of Town facilities & which town entity controls their energy use
- Recommending a lifecycle analysis policy and solar-ready roofs for new buildings.
- Determine whether MEC already voted on request to support FRCOG's application for funds from DOER's Affordable Access Regional Coordination (AARC) grant program, designed to help more low-income households access energy-efficiency and renewable-energy services. If no vote was taken previously, vote tonight.
- Discuss carbon fee & rebate resolution from Town, other MA climate legislation
- Discuss DPW docket 17-05, possible impact on Town solar
- Ave. A Illumination Project – color and directional shading?
- How to compile a clear and specific record of what turned out to be positive about the geothermal system at the Public Safety Complex; what turned out to be unsatisfying to some users; what measures have been taken to address any deficits; how have those measures worked out; what measures still could be taken to help this system be widely viewed as a success.
- Discuss future directions, priorities of committee
